10th February 2017

Dear Parents & Carers

Newsletter No 20

Sharing Assembly

Today we held our half termly Sharing Assemblies. Thank you to those parents that attended. We have received many positive comments and feedback about the displays, which is lovely, as the children have worked very hard in CDT and on their art work!

PAFOTS Quiz Night & Cheese/Biscuit Supper

This evening PAFOTS are holding a Quiz Night at school from 6.30-8.30pm. Please do try to come along and support them. There will be a light cheese & biscuit supper, bar and raffle. Money raised by PAFOTS helps provide the school with vital equipment that our school budget cannot afford. Money raised benefits all children across the school. The evening should be a fun event with not *too* difficult general knowledge questions. Individuals or teams welcome. There are many prizes to be won!

Y2 Visit to Magdalen Project

On Monday 6th February, Class 2 went on a trip to the Magdalen Project for a fun-filled day of adventure and learning. The children came prepared for the chilly day in their wet weather gear and we began the day with a walk in the woods, where we were set the task of making clay creatures. The children worked in teams to create a special habitat out of natural materials for their creature. After all the explorations in the woods, the children enjoyed a warming hot-chocolate on the camp fire. In the afternoon, we learnt about how Magdalen Farm grows their own fruit and vegetables, some in poly tunnels. The children had the opportunity to sample some vegetables such as chard which Ned described as "yummy and juicy". This was followed by some exciting bug hunting and a final visit to see Dotty the pig. Fun was had by all and the children contentedly returned to school!

Y6 Snow Cone Fundraising

Well done to Y6 who sold snow cones after school on Tuesday and managed to raise £46. These funds will go towards supporting their summer trips. Thanks to the parents who supported them by buying ice creams.

Chess Club

We trialled Chess club and Computer Club this half term and I am pleased to say the numbers have grown and we will continue with them after half term. The Chess Club will now run on Thursdays after school for half an hour, parents will need to log into parentpay to book spaces for next half term. The charge is still £1 per week. So charges are £6 for the 6 weeks. We hope that those children who have

Company number: 7700773

taken part this half term will continue after half term and these clubs will also continue to grow in numbers. We are always looking for additional chess players!

Computer Club

This club will also continue after half term on the same day, Monday lunchtimes. Parents will need to log into parentpay to make the £6 payment for this half term. New members are also very welcome to join. The children are really enjoying learning how to code and create games. Come along and join in the fun!

Clubs

All other clubs will continue as they were set for the term and will continue on the same days. **Outside clubs will now finish at 4.45pm**, (as the nights will be lighter after half term). If any pupils would like to join a club with fees set termly, please contact the office as fees can be adjusted on parentpay to reflect just this half terms fee.

Y3/4 Hockey

Reminder: Y3/4 will be playing hockey next half term in session 3. All children will need gum shields and shin pads.

Swimming Lessons

On Thursday during the summer term we have arranged swimming lessons for children in KS2. Each class will have four sessions and these will take part in a block of consecutive weeks. For two of the weeks children will return to school at 4pm. A separate information letter has been sent home today. Please could all parents return the reply slip by Friday 24th February.

Street Surfing

Go Active are delighted to be offering another **Street Surfing After School Club on Wednesday evenings**, starting from **Wednesday 22nd February for six weeks** and they would love to see your children there! An application form was attached to last week's newsletter. Payments are made direct to Go Active and **not via parentpay** and places will be given on a first come basis. Please send money in a named envelope along with the application form. Please note: Street Surfing may clash with a sports fixture; the provider will make up that session during a lunch time if necessary.

Sports Results

Y5/6 Boys Hockey V Stockland

On Wednesday 8th we had two hockey fixtures at home against Stockland. The first game saw our 'a' team play theirs and after a slow start, conceding very early, we built ourselves a comfortable lead to be ahead 3-1 just before half time, they scored right on half time to pull a goal back and after an even second half finished goalless we ran out winners 3-2. In the second game our 'b' team played really well despite conceding an early goal and at half time it remained 0-1, Stockland started very well in the second half and extended their lead despite fantastic defensive work from Phoebe P, although we created chances to score we only managed 1 good goal through Leon and the final score was 1-4. Well played to all involved.

Y3/4 Girls Netball V King's Hall

On Thursday we took 19 Year 3/4 girls to Kings Hall to play netball. Unfortunately we didn't win either game. For some of the girls this was their first time at going to a tournament and experiencing match teas! A little overwhelmed at first the girls took the first quarter to adjust! They had the chance to play lots of different position to get a good feel of the game. We need to space out when we have the ball so

that it can travel down the court and mark the other players. A steep but good learning curve! A positive attitude was held by all. I was very proud of the girls and their excellent manners.

Sports Fixtures

Y3/4 Stockland Cross Country

On Wednesday 1st we will take 16 children to Stockland for cross country. The trials for this event will be after half term during the first week back in school time.

Y3/4 Girls Netball V St John's

On Thursday 2nd March we have a home netball fixture against St John's starting at 2.10pm finishing for 3.30pm followed by a match tea. The selected pupils are: Matilda H, Pyper, Megan, Eve, Sophie, Poppy, Lily, Caitlin, Isabella & Willow K. Permission letters have already been sent home. We would welcome volunteers to serve drinks to the team and supporters.

Mr Bulbeck's Holiday Club

Reminder:

Mr Bulbeck will be running a half term holiday sports club on **Wednesday 15th February and Thursday, 16th February** for primary school aged children. Year 7 & 8 ex Tatworth pupils are also welcome. Fun activities and sports will take place at school between 10.00am and 3.00pm. Please provide a packed lunch and drinks for your child and suitable outdoor clothing.

Parent Fundraising for MIND

Mr Priddle, a parent at school, is fundraising for the mental health charity MIND by completing a skydive on the 2nd of April. If you would like to support him and donate towards this cause, please follow this link to his virgin money giving page. www.virginmoneygiving.com/trevorpriddle

We break for half term today and return on Monday 20th February. I do hope everyone has a restful break.

Yours sincerely

Steve Clarke
Principal
