

Curriculum Newsletter for Year 6
Spring Term 1 2018

Dear Parents/Carers

Welcome back to a new year at Tatworth. We hope everyone had an enjoyable and relaxing break.

This half term our topic is history based. Over the past few days, we have been looking at different forms of communication and how they have changed over time with the arrival of new technologies such as the printing press, electricity and the internet. We have even tried our hands at some semaphore!

On Monday and Tuesday afternoons this half term, Y6 will be having art with our specialist teachers.

Sport (hockey or football this term) and Forest School will continue on Wednesdays and PE on Thursdays.

Homework

Homework will continue as it was last term, with English and Maths being sent home on a Wednesday and due in the following Monday. The arithmetic books they have been using will be replaced by some sats revision books. We will also be using these for English.

Cloakroom

We continue to have many items left in our cloakroom at the end of the day. Please could you remind children to bring home snack pots, coats etc each day. PE kits should be brought home for washing on a Friday.

Sats

We will be holding a meeting for parents on Monday 22nd January at 5.45 to explain a bit more about the sats tests and what they will involve. We do hope you are able to join us.

Again, please feel free to contact us to discuss your child's learning if you have any questions.

Many thanks for your continued co-operation and support,

Mrs Webb
