

Curriculum Newsletter for Year 6

Summer 2018

Dear Parents/Carers

Welcome back to what will be a busy but exciting term for Year Six as they prepare to move on to secondary school. There is a lot to look forward to, including trips, transition days, the end of year production and leavers' celebrations.

Over the next few weeks, the children will of course be preparing for their SATS. The tests will take place in the week beginning 14th May and we will send out more information about the arrangements for this soon.

As a reward for their hard work and positive attitude, we have arranged a trip for the following week, which will also be related to our topic. A letter will be sent out next week with the details.

Our Focus days will also take place in that week, when we will be taking a closer look at the Geography of the Amazon and its rainforests. In the meantime, on Monday and Tuesday afternoons this half term, Y6 will be having art with our specialist teachers, using the Amazon rainforest as their inspiration.

Sport and Forest School will continue on Wednesdays and PE on Thursdays.

Homework

Homework will now be sent home on a Tuesday so that the children have more time to spread it out over the week. As usual, it will be due in the following Monday.

We understand that this can be a time of mixed emotions for our pupils, so please do not hesitate to speak to us about any worries or concerns. We hope their final term will be both happy and memorable.

Thank you once again for your continuous support.

Mrs Webb
