27th February 2018

Dear Parents and Carers

Cold Weather: Due to the very cold weather I will be opening the door at 8.40 am each morning so that children can come into school. Please do not try and enter the school through the main reception as teachers are still preparing their lessons and will therefore not be in their classroom until 8.40 am. I will continue with this until the end of this week and will then reassess the situation.

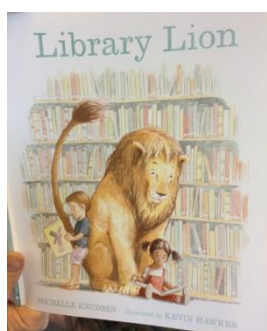

Please could I also remind you, whilst we have this cold weather, to send your children in with coats as we have had a couple of children without them this week.

I have been monitoring the classroom temperatures this week and would like to reassure you that they all are 21° C.

The Tip Day will be cancelled on Friday if we have snow and I will tell you when we have rearranged it. However, it is still due to go ahead at the moment.

Closure: If the school is closed due to snow, parents are reminded to check the school website and listen to heart fm for announcements or updates.

World Book Day: Don't forget we would like you to send in photos of children reading in an unusual place for our display, if getting them printed is causing a problem, please email them to the address above.

Library Lion: I have spoken to the production company this afternoon and although snow is forecast, we are crossing our fingers that it will go ahead, if however it is cancelled, we will rearrange and the children will see it at a later date. Y3 will get back from swimming just in time to start watching the production, we may finish school just past half past three if the production runs over, although it will literally be a couple of minutes.

Yours sincerely

Tracey Hart
