If your child has opted for Forest School they will need old clothes and wellies. Waterproofs will also be needed when the weather is unpredictable.

When the children are taking part in Sports in the Spring Term they will need kit for Football, Tag Rugby and Hockey.

The following kit is in addition to their normal P.E kit and is meant as a guideline

PE shorts / tracksuit bottoms

Top / long sleeve top when colder

Football boots

Trainers

Shin pads

Gum Shield

It is really helpful if your child brings this in a good sized bag as it helps them to keep their belongings altogether. At the end of their Sports/ Forest School sessions children will come home in their kit.

The children have P.E throughout the week and need their P.E bags in school as normal.
