

Tatworth Primary School

Cycling to School — Classes 1 - 6

Name: Class:

Name: Class:

Name: Class:

Date:

I give permission for my son/daughter to cycle to and from school.

*He/she/they** will be cycling *every day/most days/once a week/now & then**

Please read the following rules and share them with your child/children. If you are happy with them please sign this form and return to the School Office before your child starts to cycle to school. We will countersign it and return a copy to you. Any breach of these rules would result in us withdrawing the right to cycle to school.

- a cycle helmet must be worn for the child's safety
- every cyclist must wear some item of fluorescent clothing ie: jacket, sash etc.
- children must dismount at the school gate and walk with their bicycle on school grounds
- we would favour cyclists following the 'safe routes to school' on the paths through the Village Playing Fields and entering via the Field Gate
- if entering from School Lane, children should enter through the main front pedestrian gate and push their bicycle across the Reception Playground
- bikes are not to be brought onto the main Lower Playground (due to the steps) or through the Staff Car Park (due to dangers from cars)
- parents/children are responsible for bike security. Therefore a chain/padlock etc should be brought to school. The School cannot be responsible for the security of bikes.
- the school will provide racking for the bikes to be secured in at the rear of the school
- no child will be allowed anywhere near the bicycles during the school day

** - delete as appropriate*
