(Registered Tutor for LAMDA Examinations)

## SUMMER 2018 TASTER SESSIONS

Students aged between 6 and 18 are invited to apply for a Taster Course

of 6 X 20 minutes lessons, at the end of which they will be assessed

for their suitability to pursue a course of study leading to

the LAMDA Examinations in a range of subjects including

The process of preparing for and succeeding in a LAMDA examination essentially helps learners, whatever their ages or aspirations, to develop a broad range of skills that will serve them throughout life. Across the range, the examinations develop a learner's ability to:

- read fluently, easily and with good understanding
- expand vocabulary to improve powers of self expression
- improve confidence in speaking and listening
- memorise and recall information
- research and create persuasive formal presentations
- create and defend arguments
